

IT'S TIME to eliminate sub-standard housing in Oregon

YOU CAN HELP

For pennies a day, you can help improve the lives of area families living in unaffordable, over-crowded or unsafe housing. It's time to eliminate sub-standard housing in Oregon and sustain the important work of Habitat for Humanity- one home at a time.

Right now more than 280,000 Oregonians are suffering in a housing crisis that includes unaffordable rent, overcrowding, dilapidated shelter and homelessness. *Together we can change that.*

YOU CAN HELP

By joining Habitat for Humanity of the Mid-Willamette Valley's **New Foundations Team** you are providing a steady source of revenue for building decent, affordable homes in our community.

No matter the amount, you'll know your contribution is building safe, affordable housing for hardworking Oregon families and forever changing the landscape of our communities.
